

## **Chapter 510**

### **STREETS**

#### **ARTICLE I**

##### **Excavations**

**Section 510.010. Street Excavation.** [R.O. 2011 §510.010; CC 1979 §29.020]

No person, firm or corporation shall connect on any sewer located in any street or avenue of this City without first obtaining permission from the City of Puxico, Missouri, and it shall be unlawful for any person, firm or corporation to break into or damage any blacktopped or paved street for the purpose of making a sewer connection in any such street without first paying a fee of three hundred dollars (\$300.00) or such other amount as the City deems necessary, to the Street Commissioner or other officer authorized by the City to collect the same and in addition thereto there shall be made a charge to cover the costs of replacing and repairing the damages of such street occasioned thereby.

#### **ARTICLE II**

##### **Street Numbering**

**Section 510.020. Duty of Owner.** [R.O. 2011 §510.020; CC 1979 §80.010]

It shall be the duty of the owner, agent, lessor or occupant of every house or other building, except barns, garages and other buildings which are part of the same property with a numbered house or building, to place on every such building its proper street number either by painting or by affixing such numbers in metal, glass or other form, so that the same shall be clearly visible from the sidewalk. Numbers shall be placed on such houses and buildings within thirty (30) days from the time said owners, agents, lessors or occupants are notified either by mail, publication or telephone of the assignment of numbers to said houses as hereinafter provided.

**Section 510.030. Assignment of Numbers.** [R.O. 2011 §510.030; CC 1979 §80.020]

- A. Numbers shall be assigned to houses and buildings from Highway 51 and Richardson Avenue as bases and in the following manner:
1. All houses and buildings situated within the first (1st) block north of Richardson Avenue on all intersecting streets shall be given numbers between 100 and 199 inclusive; within the second (2nd) block numbers between 200 and 299 inclusive shall be used, and so on in each succeeding block; and all numbers shall be indicated by adding the word "North" to the name of the street.
  2. In like manner, the numbers between 100 and 199 shall be used in the first (1st) block south of Richardson Avenue on intersecting streets, and each succeeding hundred in each succeeding block, with the addition of the word "East" or "West" to the street

name as the case may be.

3. Odd numbers shall be used on the west and north sides of the streets and even numbers on the east and south sides, respectively.
4. Within any block, the houses or buildings nearer the base street shall use the small numbers. In assigning numbers to houses and buildings between which one (1) or more lots lie unimproved, sufficient numbers shall be allowed for later assignment to such unimproved lots.

**Section 510.040. Duty of Street Commissioner.** [R.O. 2011 §510.040; CC 1979 §80.030]

It shall be the duty of the Street Commissioner to assign numbers, as hereinbefore provided, to every house or other building in the City and to report the numbers assigned at the next regular meeting of the Board of Aldermen. The Board of Aldermen shall at once consider such report and accept and by resolution approve the same with such revision and amendments as it may deem necessary. A copy of the report as approved shall be filed with the resolution in the proceedings of the Board of Aldermen; a copy of the report and resolution, properly certified, shall be attached to the plat of the City in the office of the Recorder of Deeds of Stoddard County and to the plat of the City in the office of the City Clerk; and the numbers assigned may be entered upon the appropriate blocks and lots indicated on said plat. It shall be the duty of the City Clerk at once to notify the owners, agents, lessors or occupants of such houses or buildings, either by mail, publication or telephone, of the numbers so assigned.

**Section 510.050. Report of Clerk.** [R.O. 2011 §510.050; CC 1979 §80.040]

Whenever any house or other building is to be erected hereafter, a number shall be assigned at the time the building permit is granted therefor. On or before the thirty-first (31st) day of January of each year hereafter it shall be the duty of the City Clerk to prepare certificates stating the new numbers assigned during the preceding calendar year and send one (1) to the Recorder of Deeds of Stoddard County for attaching to the plat of the City as aforesaid and to attach another to the plat in the office of the City Clerk. Such numbers may be appropriately entered upon said plats.
